

Technical buyer / Project buyer

Gradel develops turn-key special purpose machines (mechanical automated equipment) dedicated to nuclear, space and general industry for more than 50 years. GRADEL supports its customers all over the projects: from the definition of the specification up to the installation and operation of the equipment. This activity is in strong development.

In order to strengthen our purchasing and supply-chain department, we are looking for an experienced technical buyer with following profile requirements:

- Technical background (degree of technician or degree in engineering) in manufacturing process
- Experienced in industrial purchasing (at least 3 years)
- Strong interest for technical products
- Pragmatic, ability to find new solutions, goal oriented
- Organised and methodical
- Innovative, creative and autonomous
- Team player
- Languages: French and English fluent, German will be considered as an asset

Key responsibilities:

- Project purchase management
- Selecting manufacturing process
- Selecting suppliers and subcontractors
- Negotiating with suppliers
- Order management
- Tracking deadlines and costs
- Claim management
- Organise supply chain
- Development of subcontracting network

We offer a position in an innovative and creative environment with strong relationships with other departments of the company (sales, project management, engineering, assembly, quality, finance) and with our suppliers.

This position is available from the 1st. of April 2022. The candidate will be offered a CDI. The position is based Ellange.

If you are interested in taking this challenging opportunity and wish to take part actively to our future development, please send your application to job@gradel.lu (cover letter + CV).

Only shortlisted candidates will be contacted. The information you provide will be treated confidentially and will only be disclosed to employees involved in the recruitment process. The selected candidate will be requested to provide a criminal record.
